DENALI JEEP® BACKCOUNTRY SAFARI

“A Wilderness Jeep® Adventure.”

You and your fellow adventurers will take the wheel of 4-WD Jeep Wranglers® and follow your guide on a spectacular off-road journey into Denali’s backcountry. Your adventure begins near the entrance to Denali National Park where you meet your guide, receive your orientation and Jeep® assignment, then head North a short distance on the George Parks Highway toward the town of Healy.

Your destination is the Stampede Road. Once called the Stampede Trail, and not shown on most Alaska maps, this road was carved out of the wilderness by early miners working the area’s Kantishna gold fields and antimony mine. The Stampede Road gained notoriety recently in the motion picture, *Into The Wild*, directed by Sean Penn. This is the very same road that young Christopher McCandless, subject of the book, took to enter the wild.

The first few miles of the Stampede Road are paved, but beyond this point your guide will lead you along some very primitive roadway providing you with plenty of bumps and dips and sways. Your Jeep Wrangler® carries four guests, and there will be ample opportunity to switch drivers so everyone can enjoy the thrill of maneuvering along this wilderness road.

Interactive two-way radios allow your guide to explain the area’s rich history, point out interesting sights along the way, plus provide tips on the condition of the road ahead! Throughout the trip, you’ll be able to ask the guide questions and share the experience with your fellow drivers.

Don’t forget your camera! On a clear day you may have the opportunity to see Mt. McKinley. Also, keep your eyes peeled for wildlife sightings...this is habitat for moose, caribou and bears. You’ll enjoy a hearty Alaskan snack before wending your way back to civilization with lots of stories to share with friends and hopefully some great pictures as well.

AVAILABLE: June - September

DURATION: 3-1/2 hours

PRICE: Adult - \$129 / Child - \$86

Clients participating as drivers must be at least 25 years of age and have a valid drivers license. Jeep Wranglers® carry four persons each. Children under the age of five will not be accommodated on this tour. We will provide a booster seat for children between ages 5 through 8 upon request and subject to availability. Complimentary round trip transportation to the tour origination point is available from area hotels.

NOTES: Applicable taxes are additional. Child rate applies to ages 12 and under. Children 12 and under must be accompanied by an adult. Children ages 13-17 must have a signed parental consent form if traveling without a parent or guardian.

After hiking this gently sloped historic trail, enjoy an Alaskan-style snack. Then take some time to explore the natural beauty around you.

A motorized rigid hull inflatable Seahawk provides a short, but exciting cruise along the coast of Clover Passage.
